DAY OF ACTION

Monday, March 13

In the wake of the 2016 election, New Yorkers are worried about rollbacks of civil rights and civil liberties and the erosion of our values. That's why it's more important than ever that we mobilize to keep New York moving forward.

We're inviting NYCLU supporters to join us in Albany for a day of organizing, trainings and visits with members of the State Senate and Assembly. **Want to make your voice heard? Become part of our biggest cause of the year.**

9:00 a.m. to 4:45 p.m.

**New York State Capitol
State Street and Washington Avenue
Albany, NY**
